

Make a big  
loop, just like  
so. This is  
the way to  
make zero.

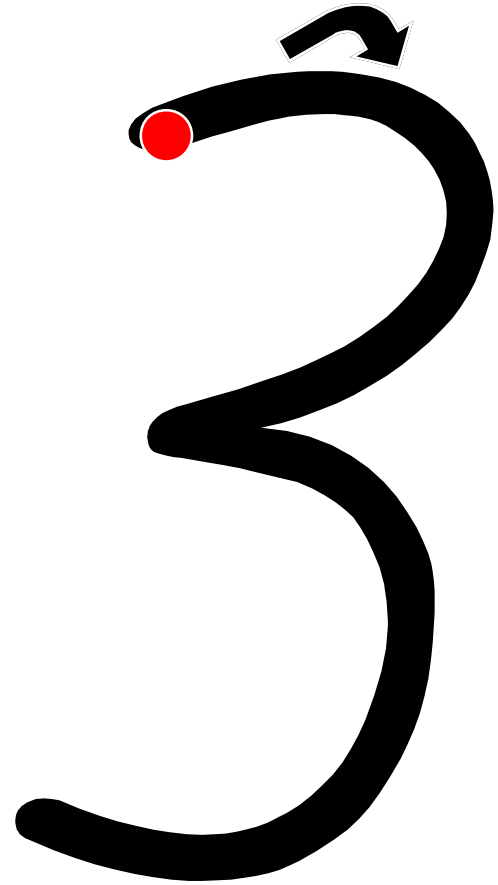

A straight  
line one it  
is fun.

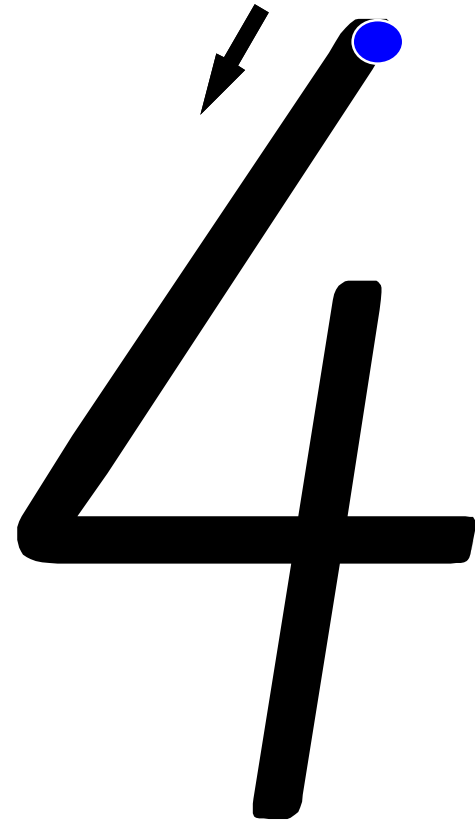

Around and  
back on the  
railway track  
makes two,  
two, two.

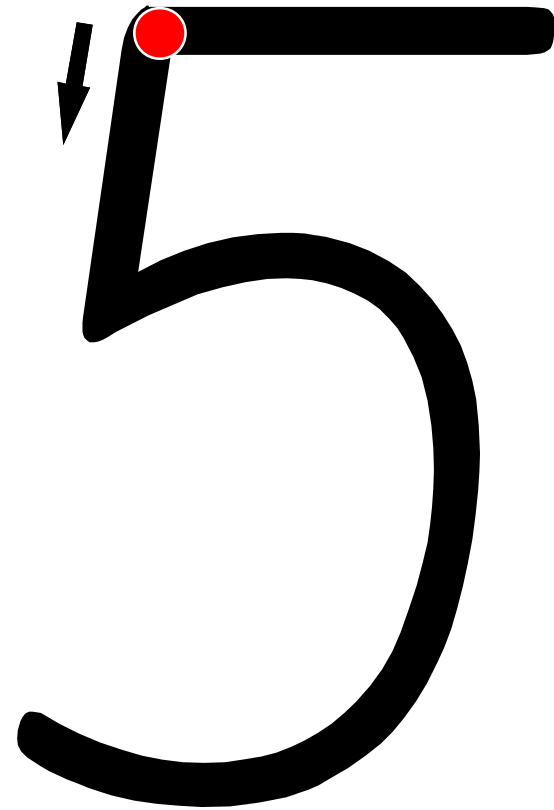

Around the tree  
and around the  
tree. This is  
the way you  
make a three.

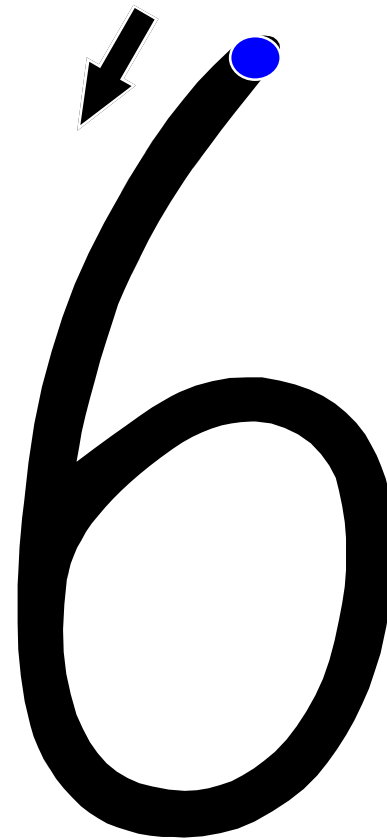

Down and  
across and  
down some  
more. This is  
the way you  
make a four.

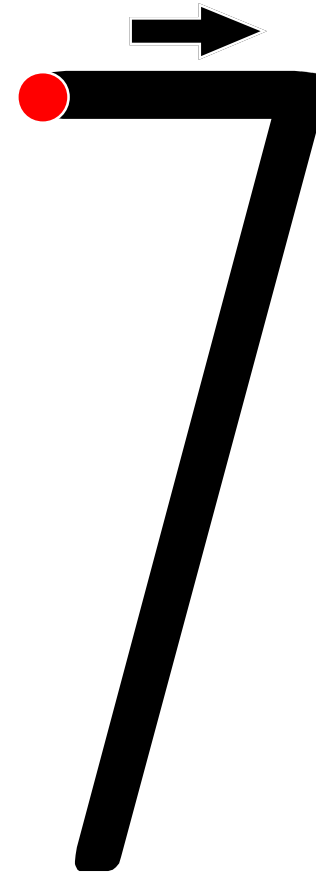

With a straight  
neck and a  
round tummy,  
put his hat on,  
five sure looks  
funny.

Down to  
a loop, the  
six rolls a  
hoop.

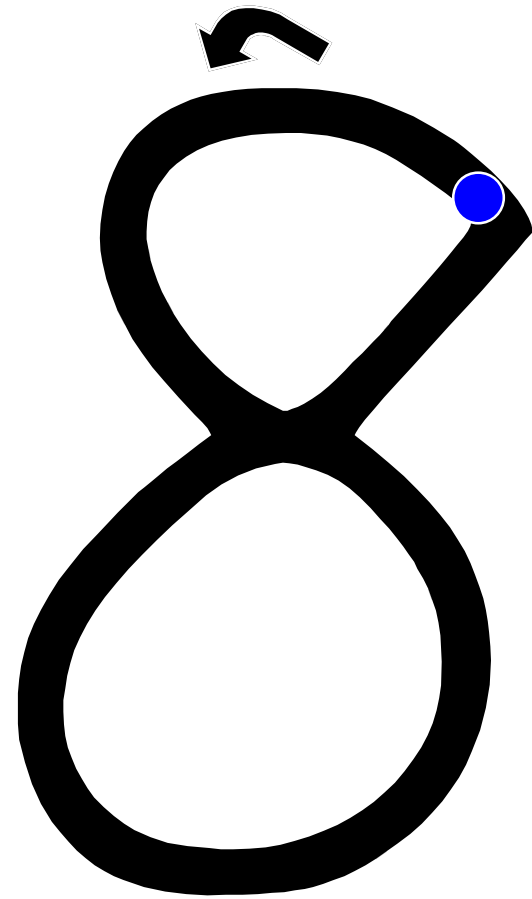

Across the sky  
and down from  
heaven. This is  
the way you  
make a seven.

Make an S and  
do not wait.

Climb back up  
to make an  
eight.

A loop  
and a line  
makes a  
nine.
